

The Pinsons MigRateurs association was created by LBBE doctoral students and **aims to welcome newcomers and promote cohesion within the laboratory.**

Our activities are mainly oriented towards non-permanents via mutual aid and scientific and social meetings, but we also propose various activities at the LBBE level.

All LBBE members can join the association!

Interested by an internship, doctorate or post-doctorate at the LBBE?

Contact us!

lespinsonsmigrateurs@gmail.com

To celebrate the beginning of the year, the Pinsons are offering crepes at "pay what you want" price

at the breaking room on the 1st floor on Thursday, Feb 6th, at 10 a.m.

This will also be the opportunity to join the association or to re-new your membership for the year 2025

*To slight everyone's taste buds, there will be "savory" crepes: eggs, glaze-free, with and without beer

Les cloches sont passées au LBBE !

120 œufs en bois ont été cachés dans les bureaux !
Échangez-les contre de vrais chocolats en mezzanine au Bureau des doctorants (10.027a) en faisant tourner la roue !

Look for the 120 wooden Easter eggs in the offices, and exchange them on the mezzanine in the doctoral students' office (10.027a) by spinning the wheel.

Our main missions:

> **Welcome of newcomers**

- Integration weekend
- PhD students survival guide
- Welcome seminars
