

CONFÉRENCE

Symposium de Morphométrie et Evolution des Formes

The LBBE supports the 12th Symposium de Morphométrie et Evolution des Formes, which will take place in Dijon on June 5-7, 2024.

Published on 16 April 2024

This symposium aims to foster exchanges among users of **morphometric approaches** in different fields of research: evolutionary biology, ecology, developmental biology, archaeobiology, systematics, paleontology. Beyond the methodological aspects, this symposium is targeted at all researchers interested in the **quantification of forms**.
